

Orientation to DES and DHS Equipment Services

**Information session
on DHS Equipment
Program and related
equipment services**

Aimed at assessors, this session covers the Department of Human Services (DHS) and Commonwealth Home Support Programme funded equipment and home modifications for adults.

Find out information on eligibility, in-scope lists, processes and approved prescriber model.

Sessions also include general information about Domiciliary Equipment Service (DES), incident response, basic equipment assessment considerations and warehouse tour.

For session dates and more information visit:
